Basket of Securities

The reference security basket is comprised of 20 securities representing various economic sectors.

Grow Canada Market Linked GIC with Guaranteed Minimum Rate

Is this investment right for me?

This investment is right for you if you:

- are looking to invest in Canadian companies
- seek capital protection
- wish to diversify your portfolio
- have an investment horizon of 5 years
- don't plan to withdraw your investment prior to maturity
- enjoy the comfort of a guaranteed minimum return with the potential of a higher rate

How does this solution differ from conventional term savings?

This guaranteed investment differs from conventional term savings in that it does not provide a pre-determined return.

The investment's return is determined at maturity and is dependent on the performance of the reference security basket. Regardless of the baskets performance, the minimum rate of return will be paid out.

How are returns calculated?

Between your investment's purchase date and issue date, your capital will yield a 3.00% interest rate per year.

Between the issue date and the maturity date the return is based on variations in the price of 20 equal-weighted equity securities, up to a maximum of 46.93% (5 years).

In order to mitigate the effects of potential security downturns at maturity, we take into account the average monthly prices for each security during the term's final 3-month period.

This investment does not entitle the holder to dividends and distributions paid by the companies in the portfolio.

The minimum rate of return and your capital is guaranteed at maturity.

What happens when my investment matures?

On the first business day following the date of maturity, unless you notify us otherwise, the principal and return, if any, will be deposited to your savings account if the GIC is held outside a registered plan. If the GIC is held within a registered retirement savings plan, registered retirement income fund, or tax-free savings account, the principal and return, if any, will be deposited to a variable rate registered account.

What if I change my mind?

You have up to 3 business days after receiving your investment agreement to cancel your investment and retrieve your deposit by visiting any of our branches or contacting us at 1.866.900.3822.

How can I purchase this product or get more information?
