

INSTRUCTIONS: To prevent rejection of wire transfer due to incorrect or incomplete information, please read the following:

For DUCA and Member:

1. Complete the section called "Beneficiary Customer." Indicate name, current address, and the DUCA account number where funds will be wired.
2. **Important:** Member information must match DUCA's records. If DUCA does not have your most current information, i.e., due to address or name change, you must provide DUCA with updated information **before** sending this form to your Sender. Inaccurate or inconsistent personal information may cause the wire transfer to fail.
3. Funds will be converted to CDN before being deposited.
4. Once complete, send this form to the Sender.

For Sender and sending Financial Institution:

1. Enter wire details **exactly** as shown below.
2. **All required sending customer information** (not found on this form) **must** be included within the wire transfer details .
3. **Important:** Some instructions differ depending on originating countries. Use the information applicable to the originating country.
