Grow Canada Market Linked GIC

Is this investment right for me?

This investment is right for you if you:

- are looking to invest in Canadian companies
- seek capital protection
- wish to diversify your portfolio
- have an investment horizon of 3 - 5 years
- don't plan to withdraw your investment prior to maturity
- agree to forgo a guaranteed return to benefit from a higher potential return than that offered by term savings

How does this solution differ from conventional term savings?

This guaranteed investment differs from conventional term savings in that it does not provide a pre-determined return.

The guaranteed investment's return is determined only at maturity and is dependent on the performance of the reference security basket. As such, the return could be nil at maturity.

How are returns calculated?

Between your investment's purchase date and issue date, your capital will yield a 2.00% interest rate per year.

Between the issue date and the maturity date the return is based on variations in the price of 20 equal-weighted equity securities, up to a maximum of 19.10% for a 3 year term and 46.93% for a 5 year term.

In order to mitigate the effects of potential security downturns at maturity, we take into account the average monthly prices for each security during the term's final 3-month period.

This investment does not entitle the holder to dividends and distributions paid by the companies in the portfolio.

Returns based on security price performance could be nil at maturity. Your capital is guaranteed at maturity.

What happens when my investment matures?

On the first business day following the date of maturity, unless you notify us otherwise, the principal and return, if any, will be deposited to your savings account if the GIC is held outside a registered plan. If the GIC is held within a registered retirement savings plan, registered retirement income fund, or tax-free savings account, the principal and return, if any, will be deposited to a variable rate registered account.

What if I change my mind?

You have up to 3 business days after receiving your investment agreement to cancel your investment and retrieve your deposit by visiting any of our branches or contacting us at 1.866.900.3822.
