6. The value of the Fund will be determined based on the fair market value of the assets held under the Fund, or as determined in accordance with the Fund declaration of trust.
7. Money in the Fund cannot be commuted, withdrawn or surrendered in whole or in part, except as permitted by section 49 or 67 of the Act, section 22.2 of the Regulation or Schedule 1.1 of the Regulation, or where an amount is required to be paid to reduce the amount of tax otherwise payable under Part X.1 of the *Income Tax Act*. Any transaction in contravention of this paragraph of the Addendum is void.
8. The fiscal year of the Fund ends on December 31 of each year and will not exceed 12 months.
9. Payments out of the Fund shall begin no earlier than the earliest date on which the Annuitant is entitled to receive a pension under any pension plan from which money was transferred into the Fund directly or indirectly.

Notwithstanding the foregoing, payments out of the Fund shall begin no earlier than the date on which the Annuitant reaches 55 years of age, if none of the money in the Fund is derived, directly or indirectly, from a pension benefit provided in respect of any employment of the Annuitant, and no later than the end of the second fiscal year of the Fund.

10. The Annuitant shall notify the Trustee of the amount to be paid out of the Fund each year. If the Annuitant does not do so, the minimum amount determined under paragraph 14 of this Addendum shall be paid out of the Fund that year.
11. The notice respecting the amount to be paid out of the Fund must be given either at the beginning of the fiscal year of the Fund or at another time agreed to by the Trustee. The notice shall expire at the end of the fiscal year to which it relates.

12. The amount of income paid during a fiscal year out of the Fund shall not exceed the greatest of the following amounts:
- a) the investment earnings, including any unrealized capital gains or losses, of the Fund in the previous fiscal year;

The following interest rate assumptions are to be used to determine the amount "F":
 - (i) the interest rate for each of the first 15 fiscal years of the period referred to in the definition of "F" is the greater of 6% and the nominal rate of interest on long-term bonds issued by the Government of Canada for November of the year before the beginning of the fiscal year, as determined from the Canadian Socio-Economic Information Management System (CANSIM) series V122487 compiled by Statistics Canada and available on the website maintained by the Bank of Canada; and
 - (ii) for the sixteenth and each subsequent fiscal year of the period referred to in the definition of "F", the interest rate is 6%.

Notwithstanding the foregoing, if any money in the Fund is derived from money transferred directly or indirectly from another LIF or an LRIF, the maximum amount that may be paid out of the Fund in the fiscal year in which the money is transferred into the fund is zero.

13. If the initial fiscal year of the Fund is not 12 months long, the maximum amount determined under paragraph 12 of this Addendum shall be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as one month.
14. The amount of income paid out of the Fund during a fiscal year must not be less than the minimum amount prescribed for a RRIF under the *Income Tax Act*. If the minimum amount specified in this paragraph is greater than the maximum amount determined under paragraphs 12 or 13 of this Addendum, the minimum amount must be paid out of the Fund during the fiscal year.
15. Paragraphs 12, 13, and 14 of this Addendum shall not be construed to prevent or limit a payment from the Fund that is permitted under paragraphs 7, 25, 29, 32, 33, 34, 37, 40 or 43 of this Addendum or under section 22.2 of the Regulation.
16. The Annuitant may transfer any or all of the assets held under the Fund to another LIF that is governed by Schedule 1.1 of the Regulation, to a variable benefit account or to purchase an immediate life annuity that meets the requirements of section 22 of the Regulation.
17. The Trustee shall make the transfer under paragraph 16 of this Addendum within 30 days after the Annuitant requests it. This paragraph does not apply with respect to the transfer of assets held as securities whose term of investment extends beyond the 30-day period.
18. If assets in the Fund consist of identifiable and transferable securities, the Trustee may transfer the securities with the consent of the Annuitant.

19. For purposes of the purchase of an immediate life annuity referred to in paragraph 16 of this Addendum, a determination as to whether the Annuitant has a spouse is to be made on the date the annuity is purchased.
20. The value of the assets in the Fund is subject to division in accordance with the terms of an order under the *Family Law Act*, a family arbitration award or a domestic contract. An order under Part I (Family Property) of the *Family Law Act*, a family arbitration award or a domestic contract is not effective to the extent that it purports to entitle a spouse or former spouse of the Annuitant to the transfer of a lump sum that exceeds 50% of the assets in the Fund, determined as of the family law valuation date.
21. Payments under a life annuity referred to in paragraph 16 of this Addendum are subject to division in accordance with the terms of an order under the *Family Law Act*, a family arbitration award or a domestic contract. An order under Part I (Family Property) of the *Family Law Act*, a family arbitration award or a domestic contract is not effective to the extent that it purports to entitle a spouse or former spouse of the Annuitant to a share that exceeds 50% of the payments under the life annuity, determined as of the family law valuation date.

 - b) the pension benefit earned on or after January 1, 1987 (if any) that was transferred into this Fund was determined in a manner that did not differentiate on the basis of sex.

Where assets under the Fund are used to purchase a life annuity referred to in paragraph 16 of this Addendum, the life annuity shall not differentiate on the basis of the sex of the Annuitant if the commuted value of the pension benefit that was transferred into the Fund was determined in a manner that did not differentiate on the basis of sex.

23. The Trustee shall not make a transfer described in paragraph 16 of this Addendum except where:
 - a) the transfer is permitted under the Act and the Regulation; and
 - b) the transferee agrees to administer the amount transferred in accordance with the Act and the Regulation.

The Trustee shall advise any transferee in writing that the amount transferred must be administered in accordance with the Act and the Regulation.

24. An application under paragraphs 25, 29, 32, 33, 34, 37, 40 or 43 of this Addendum to withdraw money or transfer assets from the Fund shall be made on a form approved by the Chief Executive Officer and shall be given to the Trustee. The Trustee is entitled to rely upon the information provided by the Annuitant in the said application. Furthermore, an application that meets the requirements of the applicable paragraph of this Addendum constitutes authorization to the Trustee to make the payment or transfer from the Fund, which should be done within 30 days after the Trustee receives the completed application and the accompanying documents required by that paragraph.
25. If assets of the Fund are transferred from a pension fund, a LIRA, an LRIF or another LIF, the Annuitant may, upon application in accordance with this Addendum, either withdraw from the Fund or transfer from the Fund to an RRSP or RRIF an amount representing up to 50% of the total market value of the assets transferred into the Fund in relation to a transfer of assets made on or after January 1, 2010.
